The Court, having conducted a detention hearing pursuant to 18 U.S.C. § 3142(f), and

community.

01 FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

02 1. Defendant was charged by Complaint with the above-listed offenses following a
03 search of a building in which defendant was allegedly residing, resulting in the seizure of
04 evidence of stolen first class mail, checks, stolen and counterfeit identification documents, and
05 notes concerning personal identification information of alleged victims, as well as a loaded
06 handgun. Packaged marijuana was also allegedly found in the search. Defendant is alleged to
07 be associated with the interstate transportation of a Mercedes vehicle stolen from a Seattle
08 automobile dealership and found in Tucson Arizona. The complaint further alleges that
09 defendant is a suspect in several drive-by shootings in the area.

10 2. Defendant has a lengthy criminal history that includes multiples failures to
11 appear, failures to abide by conditions of the court, and bench warrant activity. Several felony
12 charges are currently pending in King County. Defendant is on active supervision with the
13 state Department of Corrections. His community corrections officer describes him as
14 “non-amenable” to supervision, and discloses that defendant was arrested after leaving the state
15 without permission.

16 3. Defendant poses a risk of nonappearance due to history of controlled substance
17 use, history of noncompliance with supervision, history of failing to appear, and a pending
18 charge. Defendant poses a risk of danger due to criminal history and lack of cooperation with
19 supervision.

20 4. There does not appear to be any condition or combination of conditions that will
21 reasonably assure the defendant’s appearance at future Court hearings while addressing the
22 danger to other persons or the community.

01 It is therefore ORDERED:

- 02 1. Defendant shall be detained pending trial and committed to the custody of the Attorney
03 General for confinement in a correction facility separate, to the extent practicable, from
04 persons awaiting or serving sentences or being held in custody pending appeal;
- 05 2. Defendant shall be afforded reasonable opportunity for private consultation with
06 counsel;
- 07 3. On order of the United States or on request of an attorney for the Government, the
08 person in charge of the corrections facility in which defendant is confined shall deliver
09 the defendant to a United States Marshal for the purpose of an appearance in connection
10 with a court proceeding; and
- 11 4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel
12 for the defendant, to the United States Marshal, and to the United State Pretrial Services
13 Officer.

14 DATED this 10th day of May, 2016.
